Brief report ofproceeding/sessions:	<p>The Faculty Development Program named as Basic Course in Medical Education was organized by the Medical Education Department from 12-14/9/23. The program aimed to provide training to the faculties especially to refine their teaching skills, motivate and guide them for introduction of innovative teaching learning methods, and to spread awareness for latest assessment methods. The event witnessed enthusiastic participation from 30 faculties from various disciplines. Each of them displayed a high level of commitment and interest in the workshop.</p> <p>Entire Faculty Development Program was under guidance and observation of Dr. Bhavesh Jarwani (HOD Emergency Medicine at Smt. NHL MMC, Ahmedabad). He provided critical guidance being a well known educationalist. Entire program had a lot of hands on activities which motivate the participants via active learning. Many group activities were there for active involvement. Entire program had as many as 17-18 sessions spread across 3 days. There were sessions on Mentorship, lesson plan, forming learning objectives correctly, improving clinical teaching etc. As many as 11 highly trained medical education faculties delivered their talk. Certificates were awarded upon successful completion.</p>
